

Spring 2018

Kitchen Refurbishment

Could we have a kitchen like that on the left? The House Committee have started discussions as to how we might improve our kitchen facilities. Watch out in the next newsletter for an update on progress.

Room booking and invoicing

We are grateful to WSCC for giving us a grant to allow us to install new booking software. Testing will start in March and if successful will continue in live operation. The benefits should be that potential booking clashes are avoided and the output from the system will automatically generate invoices rather than the error-prone method currently used. It should also allow monthly invoicing and make chasing outstanding invoices easier.

Garden

The final phase of the garden renovation will be completed before the start of the outdoor season with the purchase of the new seating for the relaxing area. If your activity continues into the evening the garden can now be illuminated with a new light installed on the rear wall of the building.

The House Committee have planned a garden working party on the weekend of April 13,14 to tidy up the hedge, shrubs, the compost bin and the planters. Please come along and help if you can spare an hour or two.

Other Yews News

Shirley and Kimberley have been busy taking bookings from several new groups. We welcome a baby massage class starting in April and Sussex Oakleaf are trialling a group for young adults. Several other groups have shown interest and we are waiting confirmation of whether they'll be joining us.

We intend to have part of the exterior painted in the summer. More details will be available by the next newsletter.

If you are planning to give a presentation at your group we now have screens in both the Broadway Lounge and Muster Rooms. We also have an electronic pointer so that you can remotely control your presentation.

Support and Fund-raising events

The next Quiz Night will be on March 24th at 7.30 in Centenary Hall. Tickets are available from the office. Get together a team and join in the fun.

We are grateful to Waitrose who selected us as one of the three charities to receive a share of £1000 in February.

Thanks to Haywards Heath Rotary we have been able to replace the flooring in the toilets that was damaged by flooding.
