**Other Yews News**

We have started to refurbish the Broadway Lounge. We are extremely grateful to Mid-Sussex Rotary who have redecorated the room (as pictured on the right). The next stage is to replace the carpet and the order is underway. The final stage, once funds allow, will be to replace the window blinds.

The last remaining fence panels facing Muster Green are showing their age and we have decided to replace them before they are blown down.

Since the last newsletter we have welcomed the Ukrainian Social Hub, Narcotics Anonymous, a gardening group and Citizens Advice have run an English course. The counsellor Nicola Owen has taken a long term booking of the South Lounge on the first floor.
